MAINTENANCE AGREEMENT FOR LAWN EQUIPMENT 2014

A homeowner maintenance plan is available when new equipment is purchased from West Chester Lawn & Garden. The plan may be purchased at the time the equipment is purchased, or up to 30 days after the equipment purchase. This plan has been in place for the last seven years has proven valuable to hundreds of our customers.

The maintenance plan is designed to insure normal periodic maintenance and adjustments are performed at proper intervals per the owner's manual. Under this plan, the following service is performed on your equipment *at your home, or at WCLG* (during October-February 2014-2015):

oil & filter* change	check/adjust engine RPM's	test brakes & adjust*
replace air filter	general clean engine/deck	check/tighten wheel
replace spark plug	sharpen & balance blades	bolts & hardware
replace fuel filter*	check tires for damage/set pressure	clean battery terminals*
winterize/stabilize fuel	level deck	check battery voltage &
lube starter motor*	adjust air gap pto clutch*	continuity*
lube axles & fittings	check belts for wear & adjust	test overall operation
test safety system	check transmission & adjust	(*models so equipped)

In addition, the initial 5-10 hour oil change and initial adjustments as required in the owner's manual will be performed on your new equipment *either mobile or at WCLG*. The homeowner is to call West Chester Lawn & Garden when 5 hours use is on the new equipment and an appointment will be scheduled to perform the initial service before 10 hours of use. The initial oil change must be performed within 90 days of purchase or be forfeited. The Annual service inspection will be scheduled by phone by West Chester Lawn & Garden at a mutually agreeable time. The plan will automatically renew, and you will be sent an invoice at the current renew rate. To continue the plan, you simply pay the bill. To opt out, sign the opt. out section, and mail back to us. It's that easy. If you should opt out, you will be converted back to the Silver level of service.

The service department at WCLG constantly strives to be the best in our region. My commitment to you, our customer, is to make sure that your equipment runs when you need it to. Our #1 concern is that your equipment is maintained properly to avoid as much in-season down time as possible. Please consider one of our preferred customer plans to protect the investment that you have made in a quality piece of equipment.

Sincerely Yours,

Josh Meintel
